April 23, 2021

Dear MPSD Middle School Parents and Guardians,

I can't believe the end of the school year is upon us! Thank you so much for being flexible with us as we navigated uncertain times this year with the pandemic. Having said that, I wanted to give you an update on the testing schedule for our middle school for the end of the year.

Middle schoolers in the Meridian Public School District will begin state testing on Friday, April 30, 2021-May 24, 2021. To allow for social distancing, middle schools will test using the attached schedule.

Please pay attention to the attached schedule for your child. The schedule lists the distance learning days by subject and grade.

Thank you so much for continuing to support your child and partnering with us on their education.

If you have any questions, contact your local school.

Sincerely,

Melody Pennington-Craft
Director of Secondary Curriculum and Instruction
Meridian Public School District

***On testing days:**

- ALL students must test on these dates, including virtual students.
- ALL students must be on campus by 8:00 a.m.
- When testing is complete, the remainder of the day will be used for makeup work, interventions, and enrichment activities.

***During distance learning days:**

- - Students will have activities and lessons loaded in Canvas.
- - Students will have until the end of each week to complete the assignments.
- - Students will have the opportunity to email and communicate with teachers via email or request a zoom meeting from 2:00 p.m. - 3:00 p.m.
