The Meridian Public School District will be suspending all football operations at Meridian High School for the next two weeks due to COVID-19 Safety Concerns. This decision was determined by following the established decision matrix established by the Mississippi State Department of Health (MSDH) and MPSD. The safety of our students and staff remains our top priority as we continue to navigate these uncharted waters.

We will continue to monitor the situation, and the school's staff and students will be contacted if necessary by MPSD administration for further guidance.

Thank you for your continued support. By working together, we will get through these challenging times. As you know, the well-being of our students, staff, and families is our number one priority.

Sincerely,
